- Parts have gone up in price.
- No sides have been made.

Treasurer's Report Accepted by:

First: Andrew

Second: Bobby

Discussion Items:

- For members who raced in 2019, membership is due by the February meeting.
- Dan Plutz is not responsible for the competition fee. FRRC is responsible for that.
- 2015 helmets are required.
- Tentative date is May 16 for tech day at 8 am but Tanner will contact Dan to confirm.
- Andrew Ross is the 3rd tech committee member.
- Hoping to have meeting with Norway drivers before February meeting.
- Hold harmless must be completed prior to first race. See article 17 of by-laws.
- Only for the first year of racing for a minor you will need proof of date of birth.

New Items:

- Motion first by Keith and seconded by Andrew. Neck braces such as a hams device or donut is mandatory.
- Motion first by Tanner and seconded by Andrew. Any illegal ignition systems identified during inspection will result in loss of all points including that night events.
- Motion first by Tanner and seconded by Keith. First and second place finishers of the feature will be teched. The third person teched will be determined by two dice roll before the start of the feature race. If your qualifying lineup number has been picked you will need to come into teching as the third truck. Once lined up for the feature you will be notified. Example: The two dice have been rolled and they landed on a 2 and a 5. That means the 7th place on the qualifying lineup will be teched.

Motion to Adjourn Time: 7:39 pm

First: Tanner

Second:Beth
